HOW DO I GET ACCESS TO THIS EXTENDED WARRANTY?

Completion, submittal and acceptance of the Goulds Water Technology Extended Warranty Registration Form is required. Warranty registration form must be completed and submitted no later than two (2) weeks after installation date.

WHAT IS AN OPTIONAL PROTECTION PLAN, AND HOW MUCH IS IT WORTH?

A Protection Plan is a contract between the dealer/distributor who installs the product and the end-user; it is not underwritten by the manufacturer in any way. Dealer/distributors determine the value based on their contract with the end-user and the current regional market value of the product and services provided by the dealer/distributor in the Protection Plan.

DOES GOULDS WATER TECHNOLOGY PAY LABOR FOR FAILURES THAT OCCUR WITHIN THE WARRANTY PERIOD?

No. Goulds Water Technology's Standard and Extended Warranty cover product replacement only.

ARE OTHER SYSTEM COMPONENTS COVERED?

No. The Warranty covers replacing the Goulds Water Technology pumps, Centripro, Nidec, or GE motors and CentriPro controls only.

WILL GOULDS WATER TECHNOLOGY HONOR WARRANTIES DIRECT TO THE END-USER?

No. The Warranty is to the dealer/distributor only. If used, the optional end-user's Protection Plan is a contract between the end-user and the dealer who installed the system and is not underwritten by the manufacturer.
